

# INTERN, EARN & EXPERIENCE

Graduate Internship - A Pan-India Program

TGG Foundation  
A PUBLIC CHARITABLE TRUST

## ABOUT THE PROGRAM

This 3-month **paid internship** program is for students to apply their newly-acquired knowledge in a professional setting. Through experiential learning, interns will enhance their self-confidence and build invaluable professional skills. Some internships will take place remotely, and some are in office. This year, the TGG Foundation and its Associates are offering this opportunity to 16 students from anywhere in India. It is our objective that this program will provide participants with the necessary skills and knowledge to self-start or develop a career in the field of their choice.

## **What will participants gain from the experience?**

Besides an opportunity to apply their knowledge in a professional setting, participants will gain experience and develop skills in Communications, Coordination, Fundraising, Network Development, Creativity, Talking with Experts, Remote Working Technology, and Project Management.

## **WHO CAN APPLY?**

- ★ Those who are 21 years of age and above
- ★ Recent graduates in the fields of accounting, architecture, agriculture, food processing, ecology, arts, crafts, or any other stream of education which is relevant under [TGG's sustainable rural development goals](#).
- ★ Once selected, obtain [Responsible Human Mission](#) registration

## **Journey with TGG**

The TGG Foundation is a registered Indian charity, working to create a better society through sustainable rural development goals. Our Youth Empowerment Mission aims to help people become self-reliant by 18. The Intern, Earn, and Experience program may be the first intervention we offer in a young person's life, but it can lead to many more opportunities with the TGG Foundation in the future. These opportunities include:

- Assignments for the TGG Foundation
- Becoming an Associate, while continuing the journey with TGG.
