

# TGG'S LIVELIHOOD MISSION

EMPOWERING WOMEN IN RURAL AREAS  
THROUGH SELF-SUSTAINABLE OPPORTUNITIES

TGG Foundation  
A PUBLIC CHARITABLE TRUST

The TGG Foundation supports women in rural areas with skill-based training, research, funding, and strategic guidance, in order to create their own livelihoods. The TGG Foundation is currently supporting 2 women self-help groups (SHGs).

## NAVAJYOTHI (WAYANAD, KERALA)

This SHG cultivates various crops at TGG farm ('certified organic'), following the strict ethical standards developed by the TGG Foundation.

## JEEVANJYOTHI (MANDYA, KARNATAKA)

TGG has helped this SHG by establishing a center for **processing, packing and dispatching** of food products. Also, by sharing 70% costs of machines, and providing a revolving fund to pack as well as to distribute raw materials.

## WHO CAN BECOME A PART OF THE WOMEN LIVELIHOOD MISSION?

- **Educated women from the farming community** can reach out with ideas to develop sustainable rural livelihoods through SHGs.
- **Individuals interested in sustainable living** can visit our TGG farm in Wayanad, and experience our sustainable practices.
- **Responsible Individuals** can sustain our work and empower women in rural areas through a donation for remote participation.

**MAKE THE WORLD A BETTER PLACE TO LIVE**
